Community College of Philadelphia

Assistant Dean, Division of Access and Community Engagement
November 2015 - May 2021 (5 years 7 months)

Philadelphia, PA

Assisted the Dean in the design and development of division programs and initiatives that supported

students' academic development and learning. Provided leadership over programs

related to Adult Basic Education (ABE), GED, and English as Second Language (ESL); as well as

dual enrollment, college-readiness and transition programs under the K-16 pipeline. I implemented processes that enhanced student outcomes and assessment within the division.

College Possible

Program Manager

August 2014 - October 2015 (1 year 3 months)

Philadelphia

In conjunction with the Executive Director, I ensured the quality of the College Possible program and provided input and support in overall program management and organizational leadership. I oversaw the implementation of the College Possible curriculum, while managing the day-to-day activities of the program team. I built strong partnerships with school officials including principals and other key decision makers by demonstrating an understanding of the school's priorities. Alongside the Executive Director and National program team, I tracked, evaluated and reported on the College Possible programmatic progress on a day-to-day basis.
