PART	#	REFERENCE	COMMENT
N/A	N/A	General	(09/29/2023, Mcclure, Chester): Filer received 45-day filing extension. Certification delayed to confirm details of numerous filer and spousal assets and transactions.
			Spouse employment (including clinical practice and research) are unrelated to filer's duties and create no ethics concerns. Filer must be recused from matters arising in her official duties related to NYU School of Medicine due to spousal employment. Filer has confirmed that NYU School of Medicine and Hospital for Special Surgery no longer manage or contribute to retirement plans. Thus, no on-going financial relationship/agreement for retirement plan participation.
			Filer confirmed that holdings of possible health-related technology stock including Alphabet, Amazon, and Apple, are currently below the de minimis threshold for a single stock. No relationship to duties to date, thus no ethics concerns. Filer has been advised to seek ethics guidance if a matter arises within her official duties related to these companies or their competitors to ensure that she avoids ethics concerns. Filer advised to seek ethics guidance if a matter arises within her official duties related to these companies or their competitors to ensure that she avoids ethics concerns. Filer advised to seek ethics guidance if a matter arises related to any of her or spouse's technology-related holdings to avoid any optics concerns. Filer and her spouse counseled to at a minimum maintain current healthcare holdings below exemption levels, and to abstain from acquiring any additional healthcare, pharmaceutical, medical device, health insurance, and health-related technology assets to avoid conflict of interest concerns. Filer should manage holdings based on guidance provided in her ethics agreement upon joining HHS. All required transactions reported via a Form 278-T. No reportable outside positions, gifts, or liabilities. No ethics concerns except as noted for spousal assets above. Edits made upon filer guidance.

### Summary of Contents

1. Filer's Positions Held Outside United States Government

Part 1 discloses positions that the filer held at any time during the reporting period (excluding positions with the United States Government). Positions are reportable even if the filer did not receive compensation.

This section does not include the following: (1) positions with religious, social, fraternal, or political organizations; (2) positions solely of an honorary nature; (3) positions held as part of the filer's official duties with the United States Government; (4) mere membership in an organization; and (5) passive investment interests as a limited partner or non-managing member of a limited liability company.

2. Filer's Employment Assets & Income and Retirement Accounts

Part 2 discloses the following:

- Sources of earned and other non-investment income of the filer totaling more than \$200 during the reporting period (e.g., salary, fees, partnership share, honoraria, scholarships, and prizes)
- Assets related to the filer's business, employment, or other income-generating activities (1) that ended the reporting period with a value greater than \$1,000 or (2) from which more than \$200 in income was received during the reporting period (e.g., equity in business or partnership, stock options, retirement plans/accounts and their underlying holdings as appropriate, deferred compensation, and intellectual property, such as book deals and patents)

This section does not include assets or income from United States Government employment or assets that were acquired separately from the filer's business, employment, or other income-generating activities (e.g., assets purchased through a brokerage account). Note: The type of income is not required if the amount of income is \$0 - \$200 or if the asset qualifies as an excepted investment fund (EIF).

3. Filer's Employment Agreements and Arrangements

Part 3 discloses agreements or arrangements that the filer had during the reporting period with an employer or former employer (except the United States Government), such as the following:

- Future employment

#### 4. Filer's Sources of Compensation Exceeding \$5,000 in a Year

Part 4 discloses sources (except the United States Government) that paid more than \$5,000 in a calendar year for the filer's services during any year of the reporting period.

The filer discloses payments both from employers and from any clients to whom the filer personally provided services. The filer discloses a source even if the source made its payment to the filer's employer and not to the filer. This section does not include assets or income from United States Government employment or assets that were acquired separately from the filer's spouse's business, employment, or other income-generating activities (e.g., assets purchased through a brokerage account). Additional exceptions apply. Note: The type of income is not required if the amount of income is \$0 - \$200 or if the asset qualifies as an excepted investment fund (EIF).
