Shuchi Talati, Ph.D.

Founder & Executive Director, The Alliance for Just Deliberation on Solar Geoengineering
Washington, District of Columbia, United States

Experience

The Alliance for Just Deliberation on Solar Geoengineering
Founder & Executive Director
April 2023 - Present (5 months)

University of Pennsylvania
Visiting Scholar and Lecturer
November 2022 - Present (10 months)

American University
Scholar in Residence, Forum for Climate Engineering Assessment
August 2020 - Present (3 years 1 month)

Carbon180
Senior Visiting Scholar
April 2022 - May 2023 (1 year 2 months)

U.S. Department of Energy (DOE)
Chief Of Staff, Fossil Energy & Carbon Management
January 2021 - April 2022 (1 year 4 months)

Carbon180
Deputy Director of Policy
August 2020 - January 2021 (6 months)

Union of Concerned Scientists
Geoengineering Research, Governance and Public Engagement Fellow
September 2018 - August 2020 (2 years)

United States Senate
AIP-ASA/AAAS Congressional Science Fellow
September 2017 - September 2018 (1 year 1 month)

American Meteorological Society

Postdoctoral Fellow in Science Policy
July 2016 - July 2017 (1 year 1 month)
Washington D.C. Metro Area

Carnegie Mellon University
Graduate Research Assistant
September 2012 - May 2016 (3 years 9 months)

White House Office of Science and Technology Policy, Energy and
Environment Division
Graduate Student Intern
May 2015 - August 2015 (4 months)

Pacific Northwest National Laboratory - PNNL
Visiting Scholar at the Joint Global Change Research Institute
June 2013 - August 2013 (3 months)
College Park, MD

Environmental Law Institute
Visiting Researcher
November 2011 - June 2012 (8 months)

The Alliance for Climate Protection
Energy Analyst
August 2010 - July 2011 (1 year)

Global Network for Climate Solutions
Research Associate
June 2010 - August 2010 (3 months)

The Earth Institute at Columbia University
Research Assistant
December 2009 - June 2010 (7 months)

Office of Senator Barack Obama
Legislative Intern
June 2008 - September 2008 (4 months)

Chicago Legal Clinic
Environmental/Technical Research Assistant
January 2008 - June 2008 (6 months)

Biomedical Engineering Lab
Research Assistant
February 2007 - August 2007 (7 months)

Northwestern University Information Technology
Technology Support Consultant
October 2005 - January 2007 (1 year 4 months)

Education

Carnegie Mellon University
Doctor of Philosophy (PhD), Engineering and Public Policy · (2012 - 2016)

Columbia University
M.A., Climate and Society · (2009 - 2010)

Northwestern University
B.S., Environmental Engineering · (2005 - 2009)
