

JOHN E. MORTON

(b)(6)

PROFESSIONAL EXPERIENCE

- POLLINATION CAPITAL PARTNERS** *Washington DC*
2020 - current
Partner; Global Advisory and Investment Firm
Head of Washington DC office of global firm focused exclusively on climate change. Work with clients (financial institutions, corporates, governments, and large non-profits) in designing and implementing high-ambition climate transition strategies. Core area of focus is designing blended finance solutions and vehicles.
- RANGELEY ASSOCIATES LLC** *Germany/Washington DC*
2017 - 2020
Independent Climate Finance Consultant
Engagements focused on designing innovative financing structures to increase flow of capital to climate investments in emerging markets. Clients included institutional investors, governments, and foundations.
- THE WHITE HOUSE (NATIONAL SECURITY COUNCIL)** *Washington, DC*
2016 - 2017
Senior Director, Energy & Climate Change
Presidential appointee with overall responsibility for coordinating the Obama Administration's international energy and climate change policies and strategies. Key responsibilities included:
 - Designed and managed implementation of policies to advance the White House climate/energy agenda.
 - Led interactions with relevant Departments (State, Energy, Treasury) on energy and climate issues.
 - Frequent foreign travel to represent the United States Government at senior levels.
- OVERSEAS PRIVATE INVESTMENT CORPORATION (OPIC)** *Washington, DC*
2010 - 2016
Chief Operating Officer & Chief of Staff (2012-2016); Vice President, Investment Policy (2010-2012)
Presidential appointee responsible for managing day-to-day operations of the US Government's development finance institution; 275-person independent Agency with a \$20 billion portfolio of loans and projects in 100+ countries throughout the developing world. Oversaw growth of portfolio by roughly 50%, and increase in renewable energy finance by over tenfold, during tight fiscal budget constraints. Key responsibilities included:
 - Led Agency's implementation of its renewable energy and climate finance strategy and portfolio.
 - Chaired risk management and resource management committees.
 - Represented Agency at highest levels of inter-agency policy discussions and deliberations.
- THE PEW CHARITABLE TRUSTS** *Washington, DC*
2005 - 2010
Managing Director, Pew Economic Policy Group; \$5 billion national nonprofit public charity.
Reported to President and CEO. Responsible for the development, and management of new department. In a two-year period, built the department into a \$14 million operation with ~30 thirty staff and six discrete program initiatives including Federal fiscal and budget policy. Appeared regularly on leading national media outlets.
- JOHN KERRY FOR PRESIDENT** *Washington, DC*
2003 - 2004
Director, National Security Policy; Full time 3/04-11/04.
Reported to campaign's National Security Advisor. Managed foreign policy team network comprising over 800 outside experts across twenty policy areas.
- GLOBAL ENVIRONMENT FUND** *Washington, DC*
2002 - 2004
Investment Officer; International investment management firm with >\$800M of private equity investments.
Management responsibilities for investments in India, Thailand, Indonesia, and South Africa totaling ~\$130M.
- MERCER MANAGEMENT CONSULTING** *Boston, MA*
1996 - 1999
Associate; 3,000 person global consultancy merged into Oliver Wyman in 2007.
Team leader responsible for developing strategic business designs across a range of industries.
- THE WORLD BANK** *Washington, DC*
1994 - 1996
Project Assistant
Managed and coordinated environmental infrastructure development investments in former Soviet Union.
