Deloitte  
Cyber Risk Services, Threat Intelligence & Analytics  
September 2013 - March 2018 (4 years 7 months)  
Co-founder of Deloitte's Threat Intelligence & Analytics practice. Expanded Deloitte's Threat Intelligence service from a research-only entity to a client serving business with clients across the country spanning the commercial, federal, and state government sectors. This involved expanding the team 6x in one year and leading teams ranging in size from 2 to 25+. Worked with Deloitte's executive leadership to create this new market offering, built out roles, and designed new business lines for this service. This resulted in an increase in revenue of greater than 20x.

Led teams that built cybersecurity and cyber threat intelligence programs for state governments and Fortune 500 companies including work at some of the most high profile security breaches in the country.
