PROFESSIONAL EXPERIENCE

Deloitte Consulting

Arlington, VA

Business Analyst – Strategy and Operations

July 2019 – Present

Federal Health Agency, Global Financial Management Project

December 2019 – Present

- Reconcile expenditures for offices and employees by maintaining a total budget plan of \$40M+ for four US and three foreign offices.
- Build sensitivity analysis models for clients to determine the impact Covid-19 has on budget plans and operations.
- Develop monthly \$20-30M balance reports of financial obligations, enabling clients to assess their outstanding obligations and reduce unliquidated items for prior and current fiscal years.
- Analyze budget plans to determine \$100-600K worth of remaining needs of each office, ensuring client can accurately anticipate additional funding required.

State Health Agency, IT Modernization Project

July 2019 – December 2019

- Led 10+ meetings with vendors and technical teams to resolve software challenges and ensure product readiness for release to clients.
- Designed business process flows for the integration team to forecast mitigation strategies for system outages and changes of vendors.

Total Impact Capital

Bethesda, MD

Impact Investing Extern

June 2020 – October 2020

- Built 3-statement financial models of social enterprises to advise firm investors on the feasibility of making \$250 – 500K credit investments.
- Developed credit investment memoranda and presentations to support firm investors in deal-making decisions.

Facebook

Washington, D.C

Public Policy Extern

June – August 2018

- Drafted research and analysis memoranda to support staff meetings with state and local elected officials on issues like end-to-end encryption and third-party data sharing policies.
- Monitored legislative bills regarding privacy, political campaigns, and social networking, assisting the Public Policy Team to narrow their focus on bills that are of concern to the company.

Rhode Island Commerce Corporation

Providence, RI

Business Advisory Intern

February – May 2018

- Identified social media communication strategies of economic development agencies throughout the country to evaluate and recommend ideas that should be implemented at the Rhode Island Commerce Corporation.
- Supported the Business Advisory Group and Communications team in developing creative ways to inform small businesses about start-up, loans, and market expansion programs available to them.

Office of Governor Gina M. Raimondo

Providence, RI

Policy Intern

September – December 2017

- Analyzed policies and best practices about workforce development, revenue, tax, and affordable housing, supporting Policy Director and Deputy Chief of Staff to improve the state government's business processes.
- Researched and synthesized qualitative data on education, corrections, and job growth policies, enabling Policy Director to advise the Governor on pressing policy issues.
