PROFESSIONAL EXPERIENCE

Center for Global Health Practice and Impact, Georgetown University Medical Center	April 2019 – Present
---	----------------------

- *Executive Director*
- *Assistant Research Professor, Department of Medicine*

Serves as the Executive Director of the Center for Global Health Practice and Impact (CGHPI) at Georgetown University Medical Center (GUMC). Directs operational activities for CGHPI in Washington DC, and global operations in country offices in Cameroon, Eswatini, Haiti, Kenya, Nigeria, and Tanzania. Serves on senior leadership team with Co-Directors. Oversees an annual budget between \$35-\$40 million. Provides project management, as needed to CGHPI's research portfolio. Provides day-to-day management of CGHPI operations. Implemented the administrative launch of CGHPI in April 2019, including obtaining university approval, and merging two center teams.

Center for Global Health and Quality, Georgetown University Medical Center	July 2016 – Present
---	---------------------

- *Executive Director*
- *Assistant Research Professor, Department of Medicine*

Served as the inaugural Executive Director of the Center for Global Health and Quality (GHQ) at Georgetown University Medical Center (GUMC). Oversaw and implemented the administrative launch of GHQ between 2016-2017, including obtaining university approval, bringing on two Faculty Directors, and a Program Coordinator. Directed operational and research activities of GHQ, and serves on senior leadership team with Faculty Directors. Provided general oversight and management to GHQ's growing research portfolio, currently also serving as primary drafter of grant proposals and contracts. Provided day-to-day management of GHQ personnel.

O'Neill Institute for National and Global Health Law, Georgetown University	July 2008 – June 2016
--	-----------------------

- *Deputy Director* (January 2013 – June 2016)
- *Project Director* (August 2011 – December 2012)
- *Project Manager / Manager of Grants and Communications* (July 2010 – July 2011)
- *Law Fellow* (July 2008)

Started as a Law Fellow in 2008, and was progressively promoted to various management and leadership positions, concluding tenure as Deputy Director in 2016. Over the course of employment, directed research and operational activities of the O'Neill Institute. Provided general oversight and management to institute's overall research portfolio of domestic and global

health law and policy projects. Served on the senior leadership team with the institute's Executive and Faculty Directors to prepare, refine, and monitor and evaluate long-term strategic plan, which included project development and fundraising. Oversaw institute's communications strategy, including all print and social media engagement. Participated as the principal investigator for various research assignments. Directed substantive and administrative components of a multi-year grant from the Bill & Melinda Gates Foundation to prepare a delivery and implementation strategy for antiretroviral-based prevention, which included pre-exposure prophylaxis as part of comprehensive combination prevention in selected countries. Substantive responsibilities included drafting articles on relevant policy, legal, and ethical issues; providing general research; attending and preparing summaries for global and country consultations; and supervising project law fellows and research assistants. Administrative responsibilities included preparing grant documents, coordinating subawards and subcontracts, monitoring budget, and providing day-to-day management of institute personnel, including both research and administrative staff.

Office of the U.S. Global AIDS Coordinator, U.S. Department of State
Consultant

Washington, DC
March – August 2011

Drafted, reviewed, and prepared documents to support the U.S. Government's (USG) participation in the Comprehensive Reform Working Group (CRWG) of the Global Fund to Fight AIDS, Tuberculosis, and Malaria (Global Fund). Under the direction of the Special Advisor for Global Health Partnerships, prepared materials for USG as part of the reform process. Drafted memoranda, talking points, and related internal documents for use by the Special Advisor and other USG officials. Organized and developed written reactions to working documents circulated for review by CRWG. Supported drafting of final CRWG Report for submission to Global Fund Board in May 2011. Supported internal review of USG engagement in the Global Fund.
